

Dear Adi

I really enjoyed your presentation and the conversation that it enabled. Your approach to education is very much in line with the way we teach the history of the Holocaust at the Johannesburg Holocaust & Genocide Centre and while some of the stories are very familiar to us and are used in our programmes there were some that I had not heard about.

I particularly enjoyed your ideas of re-framing who we think of as heroes and your activity suggestion for younger grades.

Thanks again for sharing your time, knowledge and approach with us. Good luck with future events!

Kind regards,

Catherine Boyd
Head of Education
